December 19th 2019

To Our Valued Customers

At Wavelinc, we continue to enhance our service and offer the best value to our customers. With the ever-changing ways our customers use the internet we are committed to offering you the best internet experience in the area.

Effective with your next billing statement on January 19th 2020 pricing will be adjusted for the following:

- **All Internet Packages will reflect a \$10/month rate increase.**

The rising use of streaming video services in the last 12 months has grown more than anyone ever imagined it would. Our new prices reflect our commitment to investments in a better connectivity experience and improved network quality.

Sincerely,

The Wavelinc Team
